Up ton bihaaron aa ke paunde itthe tikli
Bulletproof gaddi vich gharon nikli
Gallaan vichon gall kadd agge bhej denge
Chuglaan de muunh 'te chaahe ghaadi chali shikli

Intelligence dassugi location aa kitthe di
Pehlaan utthe khadhiya tyaari teri jitthe di
Jadon hoye taakre tu kalla mattha laayenga
Gangwar kihda khaalu goli tere hisse di

Pitth pichhe saazishaan na camere 'ch aundiyaan
Itthe maapiyaan de putt sarkaaraan barbaad diyaan
Shooteraan nu leader hi azla de rahe aa
Russia de weapon taan raama matti paye aa
Russia de weapon taan raama matti paye aa

Uhnaan kolon bachi jihde zyaada pyaar dinde aa
Roti vich zahir paa ke dil paad dinde aa
Sochna asylum na baahar safe rahega
Sau daale pichhe nighe banda maar dinde aa

Yaad rakh saariyaan di vajji hoyi heat hai
Jihde competitor taan keete compete hai
Sappaan naal sapp khaa ja ban pee tok tu
Jammi paari khedni aa hona ni uh yard tu
Jammi paari khedni aa hona ni uh yard tu

Extortion di call aayi neendaan raah dindi hai
Haasiyaan nu duniyaan nazar laa dindi hai
Karoge believe kiven ajj di paneeri 'te
Naal reh ke naal de te case paa dindi hai

Mehlaan vich baithe shatranj lok khedde aa
Aape jaff paa ke vichon aap hi nibedde aa
Asal 'ch khedde aa khoh-khoh lutt-khoh di
Dekhan nu laggu tuhaanu maadha vaave ferde aa

Hune time changi itthe ganda koi salaah ni
Dassda tarakki aala kise nu pujja ni

Kall nu ki hona itthe ajj da vasa ni
Bebe baapu binaan kise teeje da dava ni

Khet gaya putt pichhe maan dari jaandi aa
Ghare sukhi-saandhi ajj dua kari jaandi aa
Aah kamm ho je mera inna main chadhaava diun
Duniyaan taan rabb naal vi bhaa kari jaandi aa

Muunhaan khaa ke loki itthe team tod dinde aa
Subah mile shaam nu yakeen tod dinde aa
Kadh lainde kamm te scheme mod dinde aa
Fadh lainde sapp pichhon been mod dinde aa

Mon layi barota feem maal kolon denge
Aap hi niva ke tere maal kolon denge
Itthe thaaven duniyaan da ihi dastoor aa
Unne zyaada meri banda jinna mashhoor aa

Baithe kaavaan naal baneriyaaan 'te baaz thodi milde
Haathiyaan nu janglaan de taaz thodi milde
Aapne hi bhed dinde laahkaan diyaan fardaan de
Mittraan bagaaniyaan ton raaz thodi milde

Waheguru bakhshda aavde de daan nu
Jang dhallon padhda e boti mardaan nu
Jail si di je loki karde ni man chon
Game te blame done ikatthe day one ton

Calls attend kareen izzataan 'ch zero di
