Aadmi harek reha utte nu hi vekh
Soche unni te khalota kidda tapp java ikki
Es ton agahan taan 'fe gumm jaan rahan
Yaara pher naiyon tod hundi kagzi kurikki

Teti sang jod ditte devte karod
Khaure rehnde ne zameena te ya rehnde aasmana te
Rabb de ne bhaane na main dekhe sune jaaye
Jedhe thode ku siane sige chadh gaye chattana te
Inna hi khayala vich samaya diya chaala vich
Sari-sari raat vekha chann wali tikki

Chakkar chaurasi lakh joon di khalasi
Kidda hundi kinne yugg lagge chakkar mukaun nu
Aabru da mahal sari zindagi banaya janda
Ikk pal lagda ae ohi mahal dhaun nu
Taan hi taan main yaar tainu kehna baar-baar
Ke tu jaani na bekaar eh koi vi gall nikki

Ged jo nannve da chain-sukh vinnve da
Haal ki o puchde jo fase ohi jaande
Es ged picchon taan halaat aise hunde
Bande sheeshe vich dekh ke na khud nu na pachande
Aajo ral gaiye "sartaaj" mitthe paiye
Te swaadli banaiye eho zindgani phikki
