Aah bank ruttia chicago ni main kallh hi aaya india
Vilayat chhatt na eh mittran di hendia
Thoda chir thehar duniya nu pata lag ju
Majhe chon aan main te koi ratan vi pind aan

Aah 16 aan ne meri har gall sach aa
Pithh pichhe bhaunke jehda banda hi khach aa
Hun ki kahan tainu biba main vi bahuta saanhu ni
Kamm kaaliyan te lok gunda touch aa

Jiddan saukhe niyo khulle sher kaabu karne
Uddan vigde hoyian da billo haal hi koi ni
Main sohniyan hala ke vadde thamm rakhde
Duniya hilauni eh taan gall hi koi ni
Main sohniyan hala ke vadde thamm rakhde
Duniya hilauni eh taan gall hi koi ni

Aah badeyan di mache vekh-vekh jatt nu
Par haale main eh machaye kithe aa
Chadhe mahine pavan gaana goli warga
Pehle haje lokan ne pachaye kithe aa

Mainu bada kujh ditta geetkaari ne
Te loki kehnde paise tu kamaye kithe aa
Jinne vi kamaye saare geetan utte la te
Asi bhar-bhar khaateyan bachaye kithe aa

Sacche patshah ne bakhshya kalam mainu
Main aise geet likhun jehde sune ni hone
Te oh vi sach karne main supne rakane
Jehde ajj takk kise ne vi bune ni hone

Mainu shauk ni rakane bahuta gaddiyan da
Par jaan ton pyaare aa tractor ni

Saara kujh mere vas houga aise mantar padhne main

Saare rakhe jutti thalle vairi mere bande jehde
Dekhi kote bahar honge sanu ajj ni mannde jehde
Maar goliyan hikk vich taan aa ke heekan karde jehde
Bachche aa bachche aa saale jamme aa nikalde jehde

Cheema-cheema kardi duniya vekh ki bahute charde ni aan
Aapne aap ch mast ravan gall pith te kise di karde ni aan
Mehimna rakhan ur vekh ke chaano dauga maalak lakane
Phir lokan ne kehna ae ki eh taan chandre darde ni aan
