I am at your neck jaise mangal sutra
Block pe jab spin karu whip lage doosraaaa
Harr gaana bhajan sa ye microphone nahi chook raha
Shayar ke sheron se paala padta jungle koodra

Badi bt to badi beedi ka tu poora bundle fookra
Vo kareebi nahi jo karey pity aur bole halaaton se jhooch raha
Puia ki beat hai delicacy I am here to eat to thoos raha
Pop corny rapper hote jab karte act 2 bruh

Sade log bharoon bade tote mein leke bade note dill khokar mila chain
Henny-coke saath heavy tok rakhu bud-hi close karein topple tera gang
Main nahi goat lekin badi khoj leke gehri soch kara chaupat tera plan
Heavy coat pehne heliport pe karu teliport fer chopper karey bang

Betich***d

Aae dinn mile peti-chor
Tabhi dhann chupaata bin peti coat
Kala aisi ki koi hai ni quote
Kaala paisa kare peddi score

Hisaab se baat krr pehle to

Pehli kamaai jaati daddy ko
Bacha gandhi jaata baddie ko

Hoton par lagakar fenny ko funny vo
Karaake menicure sune kisi ki na behri vo
Chaahe mai duba du nashe si lage vo marie gold
Poori raat telephone pe chipkaake kaan binn fevikol

Vaise to ghaayal kare vo ishaaron lekin jab suna mai gaur se badi bore

I might just bang a whore in bangalore par chahiye ni silicone valley
Karu ni tag along I stand alone ek haath se bajata taali
Bahara jab bank account to badal la tone ab raaton mei hori kavaali
Bhyi ismei meri kya galti ki teri vaali meri story lagari

You trippin dawg
Le karrle dolo pop
Ye choose khoon mera
Badan pe odomos

Kafan pe molotov
Tu jalega when the solo drops
Role ho flop got that chrome tucked jaise robocop

Seeng maarne aare saekdo mein
Lehraate laal rumaal mai matador hun matteron mein
Utaara baal ki khaal to contract se cancel hogaye
Mai maaru pocket haath hai bharte ladke jacketon mein

3 drags bade qartab
3 drags karey sarr thapp
3 drags bade qartab
3 drags lage harr waqt

3 drags got me fucked up
3 drags got me fucked up
3 drags got me fucked up
3 drags got me fucked up

3 drags got me fucked up
3 drags got me fucked up

Fucked up
3 drags got me fucked up
3 drags got me fucked up
