

303 Freestyle Lyrics

Yeah
Yeah yeah
Mic check 1 2
Ty in the building yo
Yeah

Kitne ashiq bethe intizaar mai
Zimmedarian hon bohat zimmedar pe
3 baj ke teen bethe lahore mai
Black and white hon raaten mere bin jese balmain

Good morning
Woh awaaz sun ke horny
Lord forgive me for my sins mai nai johnny
Sound cancel karay sony
Bheed mai bhi feelin lonely
Drip hi aisi hoti hai jani
Mujhe murr ke dekhe gori

Batway mai sirf pounds but im reppin k town
They know I dont count mai jab yaaron pe uraun
Kia hi mai bataun you know I dont fuck around
Babies khud hi hoti down they get wet if I am around

King with no crown meri hype alag
Alag mere khuaab meri fight alag
Koi mera jesa kahan hai
Tere jese baray aye baray gaye
Magar bete meri life alag
Ab qalam chalay sirf mood se
Gehrayi naaapi hui doob ke
Bharwati bhi achay banay muu pe
Nahi laatay muu aagay jab do baray moot te

Hon saaray rishte na khoon ke paltu hain kutte aa jatay ye nasha soongh ke
Hath choomte ye aagay peeche ghumte
Ja ke sab ke chaato phir mai guzar chuka thook ke
Larru dhoop se mai larru apni bhook se
Mai larra apne baap se
Woh raat kese bhool te

Apne duur thay tou adatan majboor thay
Tou larre apne khuaab ke liye
Ab dunya ghumte

Maaru paisa tere muu pe
Nahi maangi shohrat aaj bhi izzat ke hi bhookay
Ye industry walay two faced
Kese nahi chaatengay ye versace ke jootay
Album mode but I am always on the road
Mujhe milen sirf bhai mera koj nahi hai dost
Meri khamoshiyon ka shor maine bechi nai hai soul
Log khush nahi kisi haal mai bhi chor

They always want some more
They always want some more
I am always on the road
I need all the smoke

They always want some more
They always want some more
I am always on the road
