

India ka population kyun itna jyada hai yaar

Are bijali chali gayi samjata hoon

Are dekh no bijali phir dekh no tv

Phir tv to biwi, phir biwi to tv

Biwi to tv are badi barbaadi

Hain badi aabaadi

Aabaadi barbaadi

Aabaadi barbaadi

Aabaadi barbaadi

Bichare aur karenge bhi kyaa

Hain na idea three g

Ab biwi se 3g, ab biwi se 3g

Ab aye ji maaji, namaste ji, khush raho

No kushti nana na no kabaddi

Kyun ki sab ho gaye hai 3g pe busy

O ji bhio ji mujhe ye khich anna

One more lags i no world cup he

Iss ki kyaa jarurat hai he...

No aabaadi so no barbaadi

Tyaag diya hain maine apna vyavahik jeevan

Apne desh ke liye

O tu hain win tu hain win tu hain win

Round arin tu hain win tu hain win

What an idea sar ji no baby 3g

And your baby befour 3g.
