Oh pehlan ee dseya gabru de ambarsar dere  
Sidhe karne haandiye aakad de jehre  
Moj ch rehnda gabru na chakda feelan  
Satt lakh laayea gaddi te main vekh lae wheelan

Batti wangran aaondi aa ni pairhan bhaondi  
Dedh meel ton dikhdi aa laado kaali aondi  
Manzil hauli paa launga na bahuti kaahli  
Akhan kadd da dabb naal lagga panjtali

Matha laa lain sade naal kithe jigra penda  
Shehar jaanda sara ni main kithe rehnda  
Oh navein munde aa mere ton salaahan lende  
Sunnde aa ni meri aap tan chup ho behnde

Gamean khed na mere naal main harna jaawan  
Chunni ohle chehra rehan de vekh main mar na jaawan

Cheekan kadvaonge munde khichi firan tiyari

Ath saal ton roop te wazir di aa yaari  
Ambarsar jaane roop te wazir di aa yaari  
Oh majha jaanda rop te wazir di aa yaari

Aah lokan diyan nazran ch main  
Ik chandri de sabran ch main  
Ho nitt diyan khabran ch main  
Pind sath diyan gallan vich main  
Shehar mundeyan di charchan ch main

Oh vajjdiyan searchan ch main  
Oh vajjdiyan searchan ch main  
Oh vajjdiyan searchan ch main  
Han vajjdiyan searchan ch main

Hathin paale mere naal vi vadh chahonde  
Karna ni mainu barbaad chahonde  
Masti aa maula di main gall na gaolan  
Mera ethe kise naal koi ni raula

Ni gaana gabru da sohniye repeat chalda
