Milla kaddi na

Mei phirda si ti kalla

Tera zikr hi karaan te

Te meray uthay ainj jayi fikaraan na paa

Mei ni kitti bayimaani menu maghron na la ve

Yaad teri aandi ay mei ki karaan?

Har velay roz hasaandi ay uff bayhisaab

Jaddon dil te o qadam barhaandi ay jaan meri jaandi ay

Te jaan meri dass mei ki keeta gunaa

Never running out of space for you

Adhi adhi raatan nu mein jaagan being there for you

Tu haigi meray sapno di rani know im here for you

Lemme make things crystal clear for you

Usane milaaya tujhase sukoon lene

Bheja aur bola khud ko dhoondh lene

Kisi se juda hona easy nahin hai

Agar hota to na aate farishte khud se rooh lene

Bhale se duniya bhar mein bana pahachaan hai

Sab mujhape khafa kyonki tujhamen phasa jaan hai

Kah doon ke saath jina tere kaise aasaan hai

Sabr ke sath chala itana raasta hairaan hai

Sochata hoon kaun si baat likhoon?

Tere lie pyaar ya phir teri yaad likhoon

Dil mein shukr phir bhi baithake phariyaad likhoon

Flaix karoon mic pe ya asal kya hai halat likhoon

Soche bina bhee ye yaad chale tere aur

Khaamoshee dikhata kaisa dekh jara mere aur
Tere bina jeena sochana hi nahi
Mujhe rukana hi nahi bas kahana hi yaad teri
Aandi hai main ki karaan

Har velle roz saandi hai o behisaab
Yaad teri aandi ay mei ki karaan?
Har velay roz hasaandi ay uff bayhisaab
Jaddon dil te o qadam barhaandi ay jaan meri jaandi ay
Le jaan meri dass mei ki keeta gunaa

Never running out of space for you
Adhi-adhi raatan nu mein jaagan being there for you
Tu haigi meray sapno di rani know im here for you
Lemme make things crystal clear for you

Never running out of space for you
Adhi-adhi raatan nu mein jaagan being there for you
Tu haigi meray sapno di rani know i'm here for you
Lemme make things crystal clear for you

Adhi adhi raatan nu mein jaagan being there for you
Tu haigi meray sapno di rani know i'm here for you
Lemme make things crystal clear for you
Lemme make things crystal clear for you
