

What does it feel
Like to be on your side
So much to offer
Yet so much to hide
So serene like a queen
You are raging within
A life of purity in a
Strange world full of sin

Parday kay peechay
Burns a fire
Parday kay peechay
Nine parts of desire

Untouchable lower you gaze
So aware of all their evil ways
Weave all known craving
Since time began
Temptation taking
Hold of modern man
Parday kay peechay
Burns a fire
Purdhay kay peechay
Nine parts of desire

Untouchable its
Hard to believe
Hiding away so that
No-one can see
I know youll find all
Your measures in vain
They all be looking
At you just the same
Parday kay peechay
Burns a fire
Parday kay peechay
Nine parts of desire

Maine dekha tujhe
Tune dekha mujhe
