

Aa ante aa ante ye
Aa ante amalapuram
Aah ante ahapuram
Ee ante indian rhythm
Illu illu karke
Aaj naachenge hum

Hey aa ante amalapuram
Aah ante ahapuram
Ee ante indian rhythm
Illu illu karke
Aaj naachenge hum

Wu ante uda sharama
Wuo upar utta kadam
E ante ek hai janam
Aish ki dukaan pe tu aaja sanam
Mann mein tera mehendi kali
Umar meri atharah hone chali
Hata de chhilka tu mere dil ka
Aa khaa le moong phali

Hey meena haya
Main hoon atom bomb
Aaja kare tara
Rum pum pum
Meena haya main
Hoon atom bomb
Aaja kare tara

Rum pum pum

Hey main hoon audi
Main hoon ferrari
Main hawa ki
Hun sawari
Tujhe de doon na
Ye feeling tu chalaye
Main chalungi
Bin tere na hilungi

Tere haathon
Mein meri siring

Chhoo le jo koi manchala
Badan mein utt
Tha hai result zala
Komal kamal hun
Gulab bajal hoon
Shabnam ka bulbula hey

Aa ante aa ante ye
Aa ante amalapuram
Aah ante ahapuram
Ee ante indian rhythm
Illu illu karke aaj
Naachenge hum hahha.
