

Aa gaye hum ye kis mod pe  
Zindagi ko kahin chhod ke  
Tanha tanha hai saari rahein  
Lamha lamha hain lapti aahein  
Hum kahan aa gaye kyun aa gaye

Aa gaye ye kis mod pe  
Zindagi ko kahin chhod ke  
Tanha tanha hai saari rahein  
Lamha lamha hain lapti aahein  
Hum wahan aa gaye kyun Aa gaye  
Aa gaye ye kis mod pe  
Zindagi ko kahin chhod ke

Palkon mein khwaab jaltein hain  
Saanso mein dard paltein hain  
Ye kaisa intihaan hain khuda  
Hain zustaju nararon ki  
Khwaish mein chaand sitaaron ki  
Hum juganu se bhi huye juda  
Yaaron hum bhi to kaise deewane  
Pyaas sahera mein dil ki bujhane  
Hum aa gaye  
Aa gaye ye kis mod pe  
Zindagi ko kahin chhod ke

Aaina zeed par tuta hain  
Hame rehgharon ne luta hain  
Socha nahi tha jo woh hogaya  
Hamko hawa ne roka thaa  
Feraki sadaane toka thaa  
Ho jaayega sukun ye ho gaya  
Bas yuhi dil ki baato mein aake  
Ghaao pe apna sab kuch lugaake
