

Ishq mein kho gaye, asar bhi nahin  
Mar mite hum inhe khabar bhi nahin  
Aaiye, aa jaiye, aa hi jaiye  
Aaiye, aa jaiye, aa hi jaiye  
Yun na reh rehke hamein tarsaiye  
O aaiye, aa jaiye, aa hi jaiye  
Yun na reh rehke hamein tarsaiye  
Shola sard sard kyon hai  
Meetha dard dard kyon hai  
Paani kyon lage sharaara, bataana  
Saansein garam garam kyon hai  
Yeh lab naram naram kyon hai  
Chhooke chhooke mere yaara, bataana  
Uljhi lattein suljhaiye  
Inko sanam aise na bikhraiye  
Jaiye, le jaiye, dil le jaiye  
Yun na reh rehke hamein tarsaiye

Koi pyaas pyaas hogi  
Mann mein aas aas hogi  
Dilbar ki talaash hogi, mehbooba  
Aadhi raat raat hogi  
Saari baat baat hogi  
Pal pal paas paas hogi, mehbooba  
Yeh pyaar na thukraiye  
Jaaneman, is pal ko mahekaaiye  
Aise na ghabraiye, na ghabraiye  
Yun na reh rehke hamein tarsaiye  
O aaiye, aa jaiye, aa hi jaiye  
Yun na reh rehke hamein tarsaiye.
