

Aa..aa..aa...

Hoye hoye haay haay hoye hoye  
Aa idhar aa meri jaan tujhko  
Aa idhar aa meri jaan tujhko  
Main jawani ka jalwa dikha doon  
Tu hai najuk kali aaj tujhko,  
Phool bankar mahekna sikha doon  
Aa idhar aa meri jaan tujhko

Tauba badi tezz hai aag shabab ki  
Kahin jal jaau na kali hoon gulab ki  
Tauba badi tezz hai aag shabab ki  
Kahin jal jaau na kali hoon gulab k  
To aa idhar aa meri jaan tujhko  
Aa idhar aa meri jaan tujhko  
Aaj chhu kar main shola bana doon  
Aag dil mein bhadakane lagi hai  
Khud jalu aur tujhko jala doon  
To aa idhar aa  
Aa idhar aa meri jaan tujhko

Hum jidha guzarte hai  
Chilmane sarakti hai  
Dil dhadakne lagate hai  
Chudiyen khanakti hai  
Jis pe ek nazar dale,  
Uska dil machal jaye  
Ishq mein wo garami hai  
Husan khud pighal jaye  
Husan khud pighal jaye  
To aa meri jaan lag ja gale se  
Aa meri jaan lag ja gale se  
Teri duniya ko jannat bana doon  
Aa idhar aa meri jaan tujhko  
Aaj chhu kar main shola bana doon  
Aa idhar aa  
Aa idhar aa meri jaan tujhko

Har gali aaj sanam  
Mere hi charche hai

Har gali aaj sanam  
Mere hi charche hai  
Har hasin ke lab par  
Mere hi kisse hai  
Maine tarasaya hai  
Mejabinon ko bohot  
Maine tadapaya hai  
Nazaminon ko bohot  
Maine tadapaya hai  
Nazaminon ko bohot  
Mast ho kar tujhe mast kar doon  
Bin piye main bahakna sikha doon  
Aa idhar aa meri jaan tujhko  
Main jawani ka jalwa dikha doon  
Aa idhar aa  
Aa idhar aa meri jaan tujhko

Ishq baato ka aetabar nahin  
Yeh kisika jahan mein yaar nahin  
Vaada karke yeh bhul jaayega  
Laut kar ye kabhi na aayega  
Ek bewafa bhanvra hai ye  
Aaj iss kali kal us kali  
Harjai hai yeh bewafa  
Aaj iss gali kal us gali  
Pakka nahi ye baat ka  
Dost hai ye ek raat ka

Ek shola hai aur ek bijali  
Ek shola hai aur ek bijali  
Iske kadamon mein  
Dil ko loota doon  
Bharatlyrics.com  
Jaan mushkil mein hai aaj meri  
Jaan mushkil mein hai aaj meri  
Kisko apnaau kisko bhulaau  
Ek shola hai aur ek bijali  
Ek shola hai aur ek bijali  
Meri jaan dekh idhar  
Meri jaan dekh idhar

Meri jaan idhar idhar  
Meri jaan idhar idhar  
Idhar idhar idhar idhar  
Idhar idhar idhar idhar.
