

Aa jaane jaan, aa jaane jaan  
Aa mera yeh husn  
Jawan jawan jawan  
Tere liye hai aas lagaye  
O zalim aa jaana

Mein hoon tu hai  
Yeh hai woh hai,  
Charo hain yahan  
Dekho socho yun na roko,  
Mauka hai jawan  
Babes yaha aaya hai,  
Dil ko churane casanova, casanova

Aa jaane jaan, aa jaane jaan  
You want sa some,  
You need sa some,  
Come get sa some  
O sooni sooni raaton mein,  
Bheege jazbaaton mein  
Kaise batau jaane mujhe kya hua  
Baaton hi baaton mein,  
Do hi mulakaaton mein  
Teri nazar ne badan ko chua  
Aaja baahon mein le loon,  
Teri zulfon se khelun  
Come a little closer baby

Aa jaane jaan, aa jaane jaan  
Aa mera yeh husn

Jawan jawan jawan  
Tere liye hai aas lagaye  
O zalim aa jaana  
Aa jaane jaan  
Jaane kyun yeh doori hai,  
Kaisi majboori hai  
Tere chue bina hi jalne lagey  
Khwaishein adhuri hai,  
Milna zaroori hai

Seenay se armaan nikalne lagey  
Kitna haseen hai mauka,  
Kisne tujhe hai roka  
You driving me so crazy

Aa jaane jaan, aa jaane jaan  
Aa mera yeh husn  
Jawan jawan jawan  
Tere liye hai aas lagaye  
O zalim aa jaana  
Aa jaane jaan, aa jaane jaan.
