Aa Khada Jatt Lyrics

Aaya?
Nahi aaya
Hun aaya?
Nahi aaya
Oh aa gaya yo

Hath jinni jaan ae ni sher jidda dil ae
Ar ke ar ke aa topi wala kill ae
Asle ta mittran na edda change lagde
Lagdi pataseya na jime changi khill ae

Khulla sadda vairiya nu jithe pecha pa lo main kha
Aa khara jatt jito

Aa khara jatt jito hillda hala lo main kha
Aa khara jatt jito hillda hala lo main kha
Vair chahe pyar jito bhugda jo pa lo main kha
Aa khara jatt jito

Aa khara jatt jito hillda hala lo main kha
Aa khara jatt jito hillda hala lo

Hoye aunda ae patake paunda gaunda chhaunda
Gabbru maidan kalla kari janda rare
Jera edi akh chire lare chire
Ohde mure maut khare

Hao eve ni o jatt di charai hoyi aa
Tere yaar ne ta maut vi drai hoyi aa
Ardi aa jide to karari ta ara lo main kha
Aa khara jatt jito

Aa khara jatt jito hillda hala lo main kha
Aa khara jatt jito hillda hala lo main kha
Vair chahe pyar jito bhugda jo pa lo main kha
Aa khara jatt jito

Aa khara jatt jito hillda hala lo main kha
Aa khara jatt jito hillda hala lo

Ho sadde mure bole kera hoye
Hoye bolti kara da band jade goriye
Ohde pair rabb vall jaan vadde ni
Jera ik pair sadde vall vade goriye

Yamraj naal chat challe goriye
Jera arda ae munda othe kalle goriye
Lagda ae jide kolo zor jinna la lo main kha
Aa khara jatt jito

Aa khara jatt jito hillda hala lo main kha
Aa khara jatt jito hillda hala lo main kha

Vair chahe pyar jito bhugda jo pa lo main kha
Aa khara jatt jito

Aa khara jatt jito hillda hala lo main kha
Aa khara jatt jito hillda hala lo

Ho grewal ta garase aali dhar varga
Na kitte socheyo mai takkaru gulaab ban ke
Mittra nu sittne da supna jo pa leya ae
Choro choro ho jaana khwab ban ke

Gippy zimmevari ni li satt aale chakkia
Happy rae koti yaari ohde naal pakki aa
Chill da mahol veere bhanne nu bula lo main kha
Aa khara jatt jito

Aa khara jatt jito hillda hala lo main kha
Aa khara jatt jito hillda hala lo main kha
Vair chahe pyar jito bhugda jo pa lo main kha
Aa khara jatt jito

Aa khara jatt jito hillda hala lo main kha
Aa khara jatt jito hillda hala lo
