

Now boy i really want you to tell me
Just how, how much you want me
And how, how much you need me
I m super sexy
Now boy i really want you to tell me
Just how, how much you want me
And how, how much you need me
I m super sexy

Main bhi yahaan, tu bhi yahaan, betaabiyaan bhi hai jawaan
Mere jaaniyaan, mere ishq ka dil mein jeher bhar le
Aa khushi se khudkhushi kar le
Aa khushi se khudkhushi kar le
Aa khushi se khudkhushi kar le
Aa khushi se khudkhushi kar le

Say huuu, say haaa.. Say thats alright.. Thats alright

Ishq se hi fida hai intehaan hai
Ishq se hi dil jala hai yeh dhuaa hai
Isha se hai khushki aue khush guma hai
Phir na kehna ishq kya hai aur kahaan hai

Tu nazar se door na ja, aa meri aaghosh mein aa
Keh rahi hai aarjoo yeh baahein meri dhar le
Aa khushi se khudkhushi kar le
Aa khushi se khudkhushi kar le
Aa khushi se khudkhushi kar le

Aa khushi se khudkhushi kar le

Say huuu, say haaa.. Say thats alright.. Thats alright
You are super sexy

Pyaar aisa dard hai jismein sukun hai
Jo sada badhata rahein yeh woh junnun hai
Na gujar jaaye kahin pal bekhudi ka
Zindagi ka lip le le bindagi ka
Tu bada hi bekhobar hai, yeh nahi tujhko khabar hai
Chain se jeena agar hai mujhpe jara mar le
Aa khushi se khudkhushi kar le

Aa khushi se khudkhushi kar le

Now boy i really want you to tell me
Just how, how much you want me
And how, how much you need me
I m super sexy
Now boy i really want you to tell me
Just how, how much you want me
And how, how much you need me
I m super sexy.

Main bhi yahaan, tu bhi yahaan, betaabiyaan bhi hai jawaan
Mere jaaniyaan, mere ishq ka dil mein jeher bhar le
Aa aa aa khushi se khudkhushi kar le
Aa aa aa khushi se khudkhushi kar le
Aa aa aa khushi se khudkhushi kar le
Aa aa aa khushi se khudkhushi kar le.
