

Aa aa aa

Laharaae jiyaa laharaae bal khaae jiyaa bal khaae

Laharaae jiyaa bal khaae jiyaa aai hai ghadi sharamaane ki

Aai hai ghadi sharamaane ki

Ab tumase sanam le lege qasam phir baat na karanaa jaane ki

Phir baat na karanaa jaane ki

Sapano me sadaa tum aate the aate the

Sapano me sadaa tum aate the aate the

Phir aa ke chale kyun jaate the

Phir aa ke chale kyun jaate the kyun jaate the

Ham jaan gae pahachaan gae ye bhi adaa hai tadapaane ki

Aai hai ghadi sharamaane ki

Bichde hue dil jab aamile

Aa aa aa bichde hue dil jab aamile

Phir dur hue sab shiqave gile shiqave gile

Aa aa aa phir dur hue sab shiqave gile hoye shiqave gile

Ham tum pe mare kyo pyaar kare ye baat nahi samajhaane ki

Aai hai ghadi sharamaane ki

Sharamaa ke chali hai tanhaai tanhaai

Sharamaa ke chali hai tanhaai tanhaai

Baajegi ab madhur ab shahanaai

Baajegi ab madhur ab shahanaai o shahanaai

Jhuk jhuk ke nazar deti hai khabar o jaan e jigar tere aane ki

O jaan e jigar tere aane ki

Laharaae jiyaa bal khaae jiyaa aai hai ghadi sharamaane ki
