Pokathe nizhalakum munpe

Aa nall naal ini thudarumo
Aa kaikalal enne thazhakumo
Ee jammamana idavazhikalil
Nee mounamayathu veruthayooo

Dinangal neeri mookamay
Ninangal ninte mathnamaaay

Aaru ni ente aakashmake
Mohangal thane poi onnam mindathe

Palanaal cheenthu vechoree pon
Kanvukal ente ulli engo novukal
Annum innum ennam neeriya nombarnagalay

Melle melle nummal nediya varnajalakangal
Neniya nenjilazhamay vadiya muncharangalay

Nilavil neela noolumay kinavil ni varatheyyay
Thulumbum mekha doodhumay
Pidanja raavilekayay

Oormakal melle noovay maari
Aararum vanneyillen ullil nenaayi

Palanaal cheenthu vechoree pon
Kanvukal ente ulli engo novukal

Melle melle nammal nediya varnajalakangal
Neriya nenjilathamay vadiya manechunaigalay.
