

Hmm mm hmm mm mm mm
Aa ree aa ja nindya too le chal kahee
Udan khatole me dur dur dur yaha se dur

Aa ree aa ja nindya too le chal kahee
Udan khatole me dur dur dur yaha se dur

Aa ree aa ja

Meraa toh yeh jivan sama, mere yar bada dukh se
Par mujhko jahan me mila, sukh kaun bada tujhase
Tere liye meree jan jahar hajar mai pee lunga
Taj dunga duneeya ek tere sang jee lunga
Khoo najar ke nur
Aa ree aa ja nindya too le chal kahee

Udan khatole me dur dur dur yaha se dur

Aa ree aa ja

Aa ree aa ja nindya too le chal kahee
Udan khatole me dur dur dur yaha se dur

Aa ree aa ja

Yeh sach hai kee mai agar, sukh chain dilata hu
Teree duneeya se mai phir kahee, kab dur chala jau

Nahee mere daddy aisee bat phir se na kahana
Rah jana jab too phir mujhako bhee nahee rahana
Na ja too hamase dur

Aa ree aa ja nindya too le chal kahee
Udan khatole me dur dur dur yaha se dur.
