

Aa saari raat jagadu
Haye subha tak hus udadu

Aa saari raat jagadu
Subha tak hus udadu
Lutne mein bhi hai ek mazza
Masti bhari hai yeh sajja

Hum mere hum mere
Kya kare kya kare
Hum mere hum mere
Kya kare kya kare

Khul ke mil dil se mil
Time hai yeh deadli
Arey socho nahi roko nahi
Pyaar kare aan madly
Haye door se hi baat karu
Zaldi haan kya baat hai
Raate abhi aur hai
Yeh to pheli raat hai
Kare wait kaise bolo
Bahaki hai nazar
Umar teri baais aur
Nice hai figure

Hum mere hum mere
Kya kare kya kare

Dil mein hia khal bali
Dhadkan bhi bindas hai
Aaj ki raat to
Sab raato mein khaas hai
Arey aise nah izidd karu
Thoda thoda risk lo
Aur abhi badhne do
Dhire dhire ishq ko
Yeh ishq to hota hai
Foran fatafat chal hat
Na jane kabhi
Aa jaye koi rukawat

lyrics

Ha hum mere hum mere
Chhodo yaar go away
Kya kare kya kare

Aa ha maar hi daloge

Hum mare hum mare
Kya kare kya kare
