

Aadha tera dil aadha mera dil
Mil ke hua ek dil
Aadha tera dil aadha mera dil
Mil ke hua ek dil
Mil ke juda hona meri ja
Ab hai bahut mushkil
Mil ke juda hona meri ja
Ab hai bahut mushkil
Ho aadha tera dil aadha mera dil
Milke hua ek dil
Aadha tera dil aadha mera dil
Milke hua ek dil
Ho milke juda hona meri ja
Ab hai bahut mushkil
Milke juda hona meri ja
Ab hai bahut mushkil

Sukar karo ji bina hamare
Kabhi na pure hote tum
Sukar karo ji bina hamare
Kabhi na pure hote tum
To ye bhi sach hain mere bina bhi
Sada adhure hote tum
Ho akeli paati jau jis mehfil mein
Hogi tanha phir bhi
Tum har ek manzil mein
Tanha kab hoon main
Jab sath hai meri manzil
Aadha tera dil aadha mera dil
Milke hua ek dil
Ho milke juda hona meri ja
Ab hai bahut mushkil
Milke juda hona meri ja
Ab hai bahut mushkil

Dabi hain dil mein jo baat kahdu
Kaho to haste haste mein
Dabi hain dil mein jo bat kahdu
Kaho to haste haste mein
Are re tum to bisar rahe ho

Abhi se adhe rashte mein
Kya karu aashiq hoon
Ho gaye bekabu
Wah re nanhe munne
Wah re bhole babu
Pyar hain yeh tumhara

Warna hoon main kis kabil
Aadha tera dil aadha mera dil
Mil ke hua ek dil
Aadha tera dil aadha mera dil
Mil ke hua ek dil
Mil ke juda hona meri ja
Ab hai bahut mushkil
Mil ke juda hona meri ja
Ab hai bahut mushkil.
