

Om bhlim klim ambike
Ambike jagdambike
Om bhlim klim ambike
Ambike jagdambike
Sindhu ki hunkar le
Shehs ki phunkar le
Bijliyo ke hath me talwar le
Hey aadhi shakti aaj tu avtaar le
Om bhlim klim ambike
Ambike jagdambike

Jag magaya hai gagan
Dharti lagi hai dholne
Dharti lagi hai dholne
Aaj ek papi laga hai
Parlay ka muh kholne
Parlay ka muh kholne
Nayay ke liye to kuch nahi
Anyay de to bol de
Pyar ke amrit me hai koi
Laga vish gholne
Aa jagat ka bhar le

Shatru ko sanghar le
Dharam ki naiya ko aake tar le
Hey aadhi shakti aaj tu avtaar le
Om bhlim klim ambike
Ambike jagdambike

Tu na aayi to dhara aaksh badlenge
Dhara aaksh badlenge
Chandar ravi ke tej aur parkash badlenge
Ye tez parkash badlenge
Ved aur puran ke vishvash badlenge
Shristy ke sab prachin itihash badlenge
Jaag shastar sawar le
Khadag khapar dhar le
Dusth mahisasur ka bhash utar le
Hey aadhi shakti aaj tu avtar le
Avtaar le avtaar le avtaar le.
