

Aag hun main..
Aa takar le..
Dum hai..

Agan hun main
Avan hun main
Jalti chitta hun main
Kafan hun main

Takar, mujhse koi le na sake
Himmat, hai jo agar milla nazar aa ja
Samjha, kissi se bhi darne wale na hum
Jwala hai jwala bujhenge na hum
Kissi ki ho upar ho raaj ho

Jhukega na kabali..
Kabali..

Karuna daya ko tu bhul ja haya ko
Hosle se yahan ki moud de hawa ko
Jahan tu hai hai ye maaya
Isko na koi rauk paaya
Teri baaton mein woh baat hogi
Ek lafaz mein duniya badlenge

Ban ja fauladi
Cheen le aazadi
Darr ke rahega toh milegi barbaadi
Seedhe log lutt jaate hai
Aur seedhe pedh kat jaate hai
Tera ghusaa akal kha jayega
Badlega kaisi itihaas yahan ka

Kabali..
Kabali..
Kabali..
Kabali.....
