

Aag Lage Lyrics

Aag lage re mora aag lage
Daag lage re thode daag lage

Garmi ke bundo me baby leti shower
Kaano pe baal aur balon me flower
Kamar ka tatto hile hilita peshawar
Nach ke khade kare tede medhe tower

Tere kamar pe kardu nyochhawar
Jitni hain kheti baari jitna hai power
Halke me le na baby hulk se kam nahi
Minute ka scene nahi chale pure hour

Aag lage re mora aag lage
Dil ke bhitari mora aag lage
Saiyaan daag lage re thode daag lage
Chunar pe more thode daag lage

Nasha tera daaru nahi desi afeem hai
Move kare holy holy jaise aayi gym hai
Nach rahi nagin aise jaise baje been hai
Bol baby aaj ka aur raat ka kya scene hai

Lean teri body jaise dole jackline hai
Upar se indian neech se latin hai
Chikni tu itni haseeno me haseen hai
Launde behosh chale jaha tak zameen hai

Chale chikni kamar balkhake
Khuli rakhe zulfein hawa me lahrake
Thuddi wale til pe tu bill fadwake
Chali kahan palke jhukaye sharmake

Kano wale jhumke zara sa jhamkaake
Parada leri chashme zara sa chamkake
Bijli girate chale baby bina bijli ke
Band karwayegi kya yaha saare naake

Hirni tu heer jaisi baatein kare teer jaisi

Tikhi hain adayein par meethi lage kheer jaisi
Hatho me lakeer jaisi meri taqdeer jaisi
Tu meri dil me chhipi hai tasveer jaisi

Tere ankho ka shabab kare cham cham cham
Aaj lagega sharab thoda kam kam kam
Hum dum bhi mareng hum dum dum dum
Tera bum bhi baje haan kar bum bum bum

Aag lage re mora aag lage
Dil ke bhitari mora aag lage
Saiyaan daag lage re thode daag lage
Chunar pe more thode daag lage

Jab chalelu ta hilela bajariya ho
Sab dekhela utha utha nazariya ho
Tohe laag jayi kehuke nazariya ho
Jani penhi ke nikala kaala sadiya

Lagelu sughar par bali ba umariya ho

Jaali tohra aage ba karodo ke numariya ho
Sawariyan ho tu hi baadu jariya ho
Tohar nasha fail kaile baate jhariya ho

Tu kaali nagin hum bhi sapera
Nach ke bulbul karda savera
Sab kuchh mera abse tera
Jo kuchh tera hoga kya mera

Aag lage re mora aag lage
Dil ke bhitari mora aag lage
Saiyaan daag lage re thode daag lage
Chunar pe more thode daag lage
