

Aag se aag bujha le gum na kar dum lagale
Hum kyu ho akele aa baho me lele
Hum kyu ho akele aa baho me lele
Sulagte dahakte ye jalte badan
Om shanti shanti shanti

Aa bhi ja mere sathi main jalu jaise bati
Lahro me kho gaye sawan ke ho gaye
Lahro me kho gaye sawan ke ho gaye
Taraste sisakte baraste nayan
Aag se aag bujha le gum na kar dum lagale
Hum kyu ho akele aa baho me lele
Hum kyu ho akele aa baho me lele
Sulagte dahakte ye jalte badan

Bawari aas na tuti yun lage tum aate ho
Wadiyon aur zarano main yun tum gaate ho
Nir mohi jag ruthe kismat ne bhi tute
Nir mohi jag ruthe kismat ne bhi tute
Hamare wo payare dulhare sapan
Aag se aag bujha le gum na kar dum lagale
Hum kyu ho akele aa baho me lele
Hum kyu ho akele aa baho me lele
Sulagte dahakte ye jalte badan

Ye gulabi mausam hai waqt ko kyu khota hai
Ye gulabi mausam hai waqt ko kyu khota hai
Bharatlyrics.com
Jism ho jab baho me dard udan chu hota hai
Pyas machal kar boli ishk ko maro goli
Pyas machal kar boli ishk ko maro goli
Mita do bujha do jala do purane jakham
Aa bhi ja mere sathi jalu jaise bati
Lahro me kho gaye sawan ke ho gaye
Lahro me kho gaye sawan ke ho gaye
Taraste sisakte baraste nayan

Dur se hoth dihkana naino ki pyas jagi hai
Aur karib aa la la la pyas bujha ja la la la
Aur karib aa la la la pyas bujha ja la la la

Jindagi char din maut ki najar lagi hai
Char din jab jina hai khub pina hai
Char bin jab jina hai khub pina hai
Kab miloge raho me kab ghuloge
Meri baho me, tu hi tu meri aaho me
Mai hu mai teri chaho me
Nain nihare aaja aaja
Tan bulaye aaja aaja
Sab kuch duba jaye ab tu na tadpaye
Lo hara ye man or jita ye tan.
