

Aagasa Veeran Lyrics

Kannaala enna thirandhaane
Kaar megha kaaran
Sollaama ulla parandhaanae
Aagaasa veeran

Anbaale en enna karumbhaa
Sindhiche naan sikkum erumbha
Ullaala oru minnal narambaaga
Anbukkae nee ucha varambaa

Hei hei heiii...
Hei hei hei

Yaele... Nenjoda sandham pudichaalae
Naan aada poren
Unnaala thanna marandhenae
Aagasa veeran

Pakkadha vannathula
Nee dhaane ennathula
Thakkadha thaiyal vizhiyae
Edhirpaakkadha sonthathula
Ketkaadha nerathula vandhaale
Minnal mozhiye

Sindhudhae andha megham

Mai poosi inneram
Alikkaama kann oram
Kanakaaga vechenae
Unakkaaga thaam

Poo vaazhi pannerum
Pudhu saelai anjaarum
Kanavodu kandenae
Namakkaaga thaam

Nenjoda sandham pudichaalae
Naan aada poren
