

Aagaz hai naya
Ehsaas koyi jaga
Shareek tu mujhmein hai
Ya khud se hoon main juda

Yoon itra ki tarah
Tu jo rooh mein ghula
Banke khwaab main tera
Fiza mein mehakane laga

Tu hi rab, tu hi khuda
Tu hi lab, tu hi dua
Tu hi shab, tu hi subah
Oh rehnuma, oh rehnuma

Tere bina main jee na sakoon
Tere liye hi sajde karoon
Tu hi to hai mere dil ki tamanna
Tere bina main reh na sakoon

Oh piya re maan ja re
Mujhko yoon na sata
Tere dil mein jo chhupa hai
Karde sab tu bayan

Tu hi mera junun hai
Tu khwaabon ka kaarwan
Tu hi mera sukun hai
Hai tujhse roshan jahan

Tu hi rab, tu hi khuda
Tu hi lab, tu hi dua
Tu hi shab, tu hi subah

Oh rehnuma, oh rehnuma

Aagaz hai ya anjaam hai yeh
Ishq ka koyi farmaan hai yeh
Saare jahan ko kehna hai
Bas ik tu hi mohabbat hai.
