

Aage se dekho, piche se dekho
Uper se dekho, dekho niche se dekho
Ek se hum dono bilkul, ek se hum dono

Aage se dekho, piche se dekho
Uper se dekho, dekho niche se dekho
Ek se hum dono bilkul, ek se hum dono

Are aage se dekho, are piche se dekho
Are uper se dekho, dekho niche se dekho
Ek se hum dono bilkul, ek se hum dono

Hum barso ke bichde bhai
Hum barso ke bad mile hai
Lagta hai jaise ek daali pe
Ek jaise do phool khile hai

Aane walo, jane walo, tahro logo
Aage se dekho, piche se dekho
Uper se dekho, dekho niche se dekho
Ek se hum dono bilkul, ek se hum dono

Jo tha mera, vo hai tera
Sabpe tujhko, hak hasil hai
Ishme ghor aur,

Kanwari ek ajanbi, to shamil hai

Are vo hasina pyar kregi kaise mujhko
Are aage se dekho, are piche se dekho
Are uper se dekho, dekho niche se dekho
Ek se hum dono bilkul, bilkul ek se hum dono

Jor se bich ke, bich ke aise
Band tu apni muthi karna
Jor se bich ke
Bich ke aise
Band tu apni muthi karna

Meri jinhone chutti ki hai
Tu un sabki chutti karna

Aisa hi hoga karta hu vada
Aisa hi hoga hoga karta hu vada
Mai tumse lo

Are aage se dekho, are piche se dekho
Are uper se dekho, dekho niche se dekho
Ek se hum dono bilkul, bilkul ek se hum dono.
