

Aaha Kalyana Song Lyrics

Aha kalyana kaalam
Aanandha naadhaswaram
Motha mokguthondhe

Pandhilla bandhu janam
Oorantha kolahalam
Ooyaloo guthondhe

Ninnala monnala annula
Minnaga yedgigina kaliki
Buggana chukkaga merisindhi nedu

Vannela chinnela kaatuka
Kannula kalagaa thoniki
Thondhara paduthondhi choodu

Chandrani sodhari ee sukumari
Srihari gundelalo dheveri

Maharani ningi merupu
Manasemo malle thelupu
Maharani valapu mudupu
Manuvaade varudi gelupu

Aha ee buttabomma
Kattu kochindhi choodu
Amma pattu cheera

Bhalira bangaru bomma
Musthaa bayyindhi nedu
Atha vaarillu jera

Thaddhina dhiddhina
Maddhela sabdham
Mangala naadham
Veenula vindhuga
Paade sangeetham

Addhari iddhari akshathalesi
