

Husne janan idhar aa, aaina hu mai teraa
Husne janan idhar aa, aaina hu mai teraa
Mai sawaarunga tujhe, saare gham de de mujhe
Bhigee palake naa jhuka, aaina hu mai teraa

Kitne hee daag uthhaye tune, mere din raat sajaaye tune
Chum loo aa mai teree palako ko, de doo yeh umar teree julfo ko
Le ke aakhon ke diye, muskura mere liye
Meree tasawire wafa, aaina hoo mai teraa

Teree chaahat hain ibaadat meree
Dekhata rehata hoo surat teree

Ghar tere dam se hain mandir meraa
Too hain devesh, mai pujaaree teraa
Sajade sau baar karu, aa tujhe pyaar karu
Meree aagosh me aa, aaina hoo mai teraa

Mai sawaarunga tujhe, saare gham de de mujhe
Bhigee palake naa jhuka, aaina hu mai teraa
Husne janan idhar aa, aaina hu mai teraa.
