

Aaj bhi hain mere kadman ke nishan awaara  
Aaj bhi hain mere kadman ke nishan awaara  
Teri galiyon mein bhatakte the jahan awaara  
Aaj bhi hain mere kadman ke nishan awaara  
Teri galiyon mein bhatakte the jahan awaara  
Aaj bhi hain mere kadman ke nishan awaara  
Awaara awaara awaara awaara awaara

Tujhse kya bichhade to yeh ho gayi apni halat  
Apni halat tujhse kya bichhade to  
Yeh ho gayi apni halat  
Jaise ho jaaye hawaaon mein dhuan awaara  
Jaise ho jaaye hawaaon mein dhuan awaara  
Teri galiyon teri galiyon mein  
Bhatakte the jahan awaara  
Aaj bhi hain mere kadman ke nishan awaara

Mere sheron ki thi pehchaan  
Usi ke dam se usi ke dam se  
Mere sheron ki thi pehchaan usi ke dam se  
Usko kho kar hue benaamo nishan awaara  
Usko kho kar hue benaamo nishan awaara  
Teri galiyon mein bhatakte the jahan awaara  
Aaj bhi hain mere kadman ke nishan awaara

Jisko bhi chaha use toot ke chaha rashid  
Chaha rashid jisko bhi chaha

Use toot ke chaha rashid  
Kam milenge tumhe  
Ham jaise yahan awaara  
Kam milenge tumhe  
Ham jaise yahan awaara  
Teri galiyon mein bhatakte  
The jahan awaara  
Aaj bhi hain mere kadman  
Ke nishan awaara  
Aaj bhi hain mere kadman  
Ke nishan awaara  
Awaara awaara awaara

Awaara awaara.
