

Aaj hamaare dil mein
Ajab yeh uljhan hai
Gaane baithe gaana
Saamne samdhan hai
Hum kuchh aaj sunayen
Yeh unka bhi man hai
Gaane baithe gaana
Saamne samdhan hai

Kaano ki baaliyan
Chand sooraj lage
Yeh banaras ki sari khoob saje
Raaz ki baat batayen
Samdhiji ghayal hain
Aaj bhi jab samdhan
Ki khanakti payal hai

Hothon ki yeh hansii
Aankhon ki yeh haya
Hothon ki yeh hansii
Aankhon ki yeh haya
Itni masoom to hoti hai bas dua
Raaz ki baat batayen
Raaz ki baat batayen
Samdhi khush kismat hain
Raaz ki baat batayen
Raaz ki baat batayen
Samdhi khush kismat hain
Laxmi hai samdhanji
Jinse ghar jannat hai
Laxmi hai samdhanji
Jinse ghar jannat hai

Aaj hamare dil mein
Ajab yeh uljhan hai
Saamne samdhiji ga
Rahi samdhan hai
Humko jo hai nibhana
Woh nazuk bandhan hai
Saamne samdhiji ga

Rahi samdhan hai

Meri chhaya hai jo

Aapke ghar chali

Meri chhaya hai jo

Aapke ghar chali

Sapna ban ke meri

Palkon mein hai pali

Raaz ki baat batayen

Raaz ki baat batayen

Yeh poonji jeevan ki

Shobha aaj se hai

Yeh aapke aangan ki.
