

Aaj ki raat mohabbat ka nasha lai hai
Chand kya hai, chand kya hai
Meri dulhan ki parchayi hai
Le liya dil hamara chandani ne
Ho de diya pyar hamko ek kali ne
Ek jhalak ne ek najar ne
Ham pe jadu kar diya
Ek jhalak ne ek najar ne
Ham pe jadu kar diya
Le liya dil hamara chandani ne
Ho de diya pyar hamko ek kali ne
Ho is kali ne is kali ne
Le liya dil hamara chandani ne

Ghata ne rang churaya hi tere balo se
Har ek phul gulabi hai tere galo se
Har ek tara dhadakata hai aaj dil ki tarah

Har ek tara dhadakata hai aaj dil ki tarah
Mile hai rahi ko
Mile hai rahi ko manjil tere ujalo se
Le liya dil hamara chandani ne
Ho de diya pyar hamko ek kali ne
Ho is kali ne is kali ne
Le liya dil hamara chandani ne

Sharam ka phul se mathe pe jo pasina hai
Damakata pyar ka moti hai ya nagina hai
Ise banaya hai malik ne apne hatho se
Ise banaya hai malik ne apne hatho se
Ye aasman se
Ye aasman se utri hui hasina hai
Le liya dil hamara chandani ne
Ho de diya pyar hamko ek kali ne
Ho is kali ne is kali ne
Le liya dil hamara chandani ne
Ho de diya pyar hamko ek kali ne
