

Aaj kyon hamse parda hai
Parda hai jee
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Parda hai jee
Aaj kyon hamse parda hai

Teraa har rang hamne dekha hai
Teraa har dhang hamne dekha hai
Paas aakar bhee tujhako dekha hai
Dur jaakar bhee tujhako dekha hai
Tujhako har tarah aajamaaya hai
Paake khoya hai khoke paaya hai
Ankhadiyo kaa baya samajhate hain
Dhadakano kee jabaan samajhate hain
Chudiyo kee khanak se vakif hain
Jhanjhano kee jhanak se vaakif hain
Naajo andaaj jaanate hain ham
Teraa har raaj janate hain ham phir
Aaj kyon ham se parda hai parda hai jee
Aaj kyon hamse parda hai
Parda hai
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Parda hai jee

Aaj kyon hamse parda hai

Dil dukhane se faayada kya hai
Munh chhupaane se faayada kya hai
Ulajhee ulajhee late sanvaarake aa
Husn ko aur bhee nikhaarake aa
Narm gaalo me bijaliya lekar
Shok aankho me titaliya lekar
Aabhi ja ab ada se lehrati
Ek dulhan ki tarah sarmati

Tu nahi hai toh rate suni hai
Hoye marne waloki jindagi tu hai
Hoye marne waloki jindagi tu hai
Iss andhere ki roshni tu hai
Phir
Aaj kyon ham se parda hai parda hai jee
Aaj kyon hamse parda hai
Parda hai
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Parda hai jee
Aaj kyon hamse parda hai

Aa tera intezar kab se hai
Har nazar bekarar kab se hai
Sama rehrehkar zilmilati hai
Sans taro ko dub jati hai
Tu agar mehraban ho jaye
Ye zamin asman ho jaye
Ab to aaja ke rat jati hai
Ek ashq ki bat jati hai
Gair ho tere jindagani ki
Dil bhi de tu mehrbani ki
Tujpe jaan se phida hai hum
Tujpe jaan se phida hai hum
Ek muddat ke asnaa hai hum
Phir

Aaj kyon ham se parda hai parda hai jee
Aaj kyon hamse parda hai
Parda hai
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Aaj kyon hamse parda hai
Parda hai jee
Aaj kyon hamse parda hai.
