

Aaj main upar aasman neeche
Aaj main aage zamana hai peechhe
Aaj main upar aasman neeche
Aaj main aage zamana hai peechhe
Tell me o khuda ab main kya karoon
Chaloon seedhi ke ulti chaloon
Aaj main upar aasman neeche
Aaj main aage zamana hai peechhe
Tell me o khuda ab main kya karoon
Chaloon seedhi ke ulti chaloon
Aaj main upar aasman neeche

Yoon hi bin baat ke chhalki jaaye hansii
Dole jab hawa laage gudgudi
Yoon hi bin baat ke chhalki jaaye hansii
Dole jab hawa laage gudgudi
Sambhloon gir padoon
Arre arre arre arre
Tauba kya karoon
Chaloon seedhi ke ulti chaloon

Jhoom ja mauj mein rukna na jaan-e-jaan
Dekhoon yeh tarang rukti hai kahan
Jhoom ja mauj mein rukna na jaan-e-jaan
Dekhoon yeh tarang rukti hai kahan
Main bhi tere sang in lehron pe chaloon
Sar ke bal ya kadam se chaloon

Aaj main upar aasman neeche
Aaj main aage zamana hai peechhe
Aaj main upar aasman neeche
Aaj main aage zamana hai peechhe
Ho tell me o khuda ab main kya karoon
