

Mehman sab aate hi hoge
Jaldi se nipta do jo kaam hain
Aaj shyam na barbad karo
Aaj shyam na barbad karo
Aaj to bijiliyan girane ki shyam hain
Aaj to bijiliyan girane ki shyam hain

Zara thehro zara thehro
Sambhalo apna kajra
Zara tolo aankhon mein
Kaali ghata ka kajra
Haye haye haye haye
Aaj to bijiliyan girane ki shyam hain

Aaj to bijiliyan girane ki shyam hain

Aaj kal mohe meri
Bund laga de
Koi meri lipstick ka
Rang to mila de
Mera juda khiska
Mera aanchal behka haya
Teri choli ki huk
Mere baalo mein fasi
Meri clip huyi gham
Tujhe aati hain hasi
Apne saiya ko bulale
Apni clip dhund wale
Apna gunda latka le
Apni choli kas wale
Le le haye haye
Aaj to bijiliyan girane ki shyam hain
Aaj to bijiliyan girane ki shyam hain

Haye haye haye haye
Aaj to bijiliyan girane ki
Shyam hai shyam hain
Aaj to bijiliyan girane ki
Shyam hai shyam hain.
