

Aaj tumse door ho kar
Aise royaa mera pyaar
Chaand royaa saath mere
Raat royi baar baar

Kuchh tumhaare badishe hai
Kuchh hai mere daayare
Jab muqaddar hi bane dushman
To koi kyaa kare
Hay koi kyaa kare
Is mukaddar par kisikaa

Kyaa hai aakhir ikhtiyaar
Chaand royaa saath mere
Raat royi baar baar

Har tamannaa se judaa main
Har khushi se dur hun
Ji rahaa hu, kyoki
Jine ke liye majabur hun
Hay main majabur hun
Mujhako marane bhi na degaa
Ye tumhaaraa intazaar
Chaand royaa saath mere
Raat royi baar baar.
