

Aa phir wahi shaam e tanhaai
Phir usi dard ki gehraai
Phir tere milne ka gham
Phir aankh si bhar aayi
Jaane wale sunta jaa
Tera pyaar hai ruswaa

Par kya karun
Sahi naa jaaye judaai
Bulle nu samjhana ya
Behna te parjaiyan
Balle bulle sadda
Chehna chhad de kalla rayian
Aaja ho aaja ho aaja ho aaja
Aad nabi auladan ki nu
Tu kyun lee kallaiyan
Jehda saanu sayiad
Dasse nu dakh mile sazaiyan
Aaja ho aaja ho aaja ho aaja

Hoo aaja hoo aaja
Ho ankhiyan nu laan wale
Door door jaan wale
Aaja ho aaja
Ho ankhiyan nu laan wale
Door door jaan wale
Aaja ho aaja
Hoo aaja ho aaja
Hoo aaja ho aaja.
