

Baby beth chipak ke aaja meri bike pe
Mausam acha hai challenge long drive pe
Acha lagta hai pakad ke rakhna tight se
Main loonga left kyunki ghar tera right pe

Chalo chalo chal chal chalte hai
Aaja aaja hawa mein uddte hai
Jaana hum tumpe hi marte hai
Chalo na kahin bhaag chalte hai

Beth chipak ke aaja meri bike pe
Mausam acha hai challenge long drive pe
Acha lagta hai pakad ke rakhna tight se
Main loonga left kyunki ghar tera right pe

Dekho maine dekha hai ji ik sapna
Baby newyork shehar mein ho ghar apna
Baby ducati se aaunga sham ko tujhe lene
Mera favorite wala pasta bana ke rakhna

Uss ke baad jaldi se tu ready ho
Hot ban ke baby tu bethi ho
Bike pe phir sham wali gedi ho
Baby ready ho, baby baby baby ready ho
Baby ready ho..

Dekho maine dekha hai ji ik sapna
Baby newyork shehar mein ho ghar apna
Baby ducati se aaunga sham ko tujhe lene
Mera favorite wala pasta bana ke rakhna

Baby beth chipak ke aaja meri bike pe
Mausam acha hai challenge long drive pe
Acha lagta hai pakad ke rakhna tight se
Main loonga left kyunki ghar tera right pe

Aaja yaar aaja sham hone aayi
Mausam ne le li hai angdayi
Bike li hai yaara maine tere liye
Tere siva ladki na koi ghumayi

Aaja yaar aaja sham hone aayi
Mausam ne le li hai anghdayi
Bike li hai yaara maine tere liye
Tere siva ladki na koi ghumayi

Baby beth chipak ke aaja meri bike pe
Mausam acha hai challenge long drive pe
Acha lagta hai pakad ke rakhna tight se
Main loonga left kyunki ghar tera right pe.
