

Aaja Ni Aaja Song Lyrics

Tell me girl
What your name is
The way you move
When you got my attention

Need to know
What your game is
Mesmerized by your eyes
Got me wanting more

Let me loose control
You make my heart race
You know i can't say no
When you get down low
The way you more so
Seductive im like

Hey ala le ala le
You make the pain

Go away go away
Like hey ala le ala le
You take my breath away

Tera nakra got me
Hooked on you baby
Kinne soni laagdi hai tu

Han nakra got me
Hooked on you baby
Gayal habit your
My dream come true

Aaja ni aaja aaja
Aaja ni aaja aaja

Kudiye aa nachke dikha de
Aaja ni aaja aaja
Akhiyan naal akhiyan mila ke
Aaja ni aaja aaja

Girl i see you sipping
That bacardi
Aaja ni aaja aaja
