

Aakhri baar tere pyaar
Ki kaliyan chun loon
Loat kar phir tere
Ghulshan mein nahi aaunga
Apni barbaad mohabbat
Ka janaza lekar
Teri duniya se bahot
Door chala jaaunga

Dil ko samja loon
Jise pyaar kiya tha tune
Woh to ek khwaab tha
Jis khwaab ki tabir na ki
Tu samajta tha jise
Apna muqaddar nadana
Woh kisi gair ki thi woh
Teri taqdeer na thi
Apni palko mein saja
Rakha tha jin khwabo ko
Apne hatho se unhe
Khud hi mitta jaaunga
Apni barbaad mohabbat
Ka janaza lekar
Teri duniya se bahot
Door chala jaaunga

Aaj maloom huaa
Pyaar ki kimat kya hain
Itani daulat e meri
Jaan kahan se laata
Mere dil mein tujhe
Pane ki kasam khayi thi

Par tujhe pane ka
Vardan kahan se lata
Muflaisi pyaar ke dushman
The aur kuchh bhi nahi
Raaz ki baat ye taaro
Ko bata jaaunga
Apni barbaad mohabbat

Ka janaza lekar
Teri duniya se bahot
Door chala jaaunga
Chala jaaunga chala jaaunga
Chala jaaunga chala jaaunga.
