

Aalaporaan Thamizhan Lyrics

Oorukannu uravukannu
Unna mochu pakum ninnu
Chinnamaga rasan varan
Meesa muruku hoi

Enga mannu thanga mannuuu
Unna vaikum singamunnuuu

Muthumani rathinatha
Pethedutha ranjidham
Oorukulla vazhathandu
Ammanukum samatham

Entha neram kandalum
Kannu dhane kalangum
Kannupola engalukku
Kaavalaa ne varanum

Aalaporan tamizhan ulagam ellamae
Vetrimaga vazhi than inimae ellamae
Veeranna aarunu indha naatukae avan sonnanae
Vaayilla maatukum ada needhiya avan thanthanae
