

Aansu bade kimti hai
Inko na yunhi girao
Jinke ye aasu bhi sukhe
Unke liye muskurao
Aansu bade kimti hai
Inko na yunhi girao
Jinke ye aasu bhi sukhe
Unke liye muskurao

Ye zindagi ek phool hai
Thukra nahi ye bhoor hai
Mana andhere bahut hai
Lekin savere bahut hai
Ik tu akela nahi hai
Jag me akele bahut hai

Duniya ne jane kyun luta
Meri khushi ka khazana
Kiski nazar lag gayi jo
Bikhra mera aashiyana
Sara sahar hai ajnabi
Patjhad hui ye zindagi
Pairo mein chale bahut hai
Par chalne wale bahut hai
Ik tu akela nahi hai
Jag mein akele bahut hai

Suraj ki jyoti bane hum
Aakash baho mein aaye
Mehnat ke moti bane hum
Sagar ka moti lazaye
Apne chaman ke hum bag ba
Apne watan ke hum paas ba
Tufa ke dhare bahut hai

Phir bhi kinare bahut hai
Ek tu akela nahi hai
Jag mein akele bahut hai.
