

Aansu thi meri zindagi
Aankho ne jo baha diya
Roti hai mujhpe bekasi
Hasarato ne mita diya
Hasarato ne mita diya

Milake bichhad gaye ho tum
Banke bigad gaye hai hum
Banke bigad gaye hai hum
Apni khushi ke waste
Tumne hume mita diya
Tumne hume mita diya

Sunke koi karega kya
Tute dilo ka majara
Tute dilo ka majara
Roya hai phut phut kar
Humne jise suna diya
Humne jise suna diya

Wo jo tumhara pyar tha
Maut ki neend so gaya
Maut ki neend so gaya
Ab use dhundhate ho kya
Khak mein jab mila diya
Khak mein jab mila diya

Meri khushi bhi chhin li
Haske mujhe rula diya

Haske mujhe rula diya
Tum to mera nasib the
Tumne mujhe yeh kya diya
Tumne mujhe yeh kya diya.
