

Aao jhumke nache gaye
Aaj masti bhari sham hain
Aao jhumke nache gaye
Aaj masti bhari sham hain
Chand taro ka khazana
Aj tujhpe hai litana

Ek raja ka elan hai
Hap hap hap hap happy birthaday
Hap happy birthaday to you
Hai hai hai hai happy birthaday
Happy birthaday to you

Layi nayi sham rangili rate
Dil se bhulado tum kal ki bate
Layi nayi sham rangili rate
Dil se bhulado tum kal ki bate
Ke aaj ka naam hain zindagi
Har pal naya jaam hai zindagi
Chun lo khushiya sar idil ki
Dekho rangat mahfil ki

Nayi ronak nayi shan hain
Hai hai hai hai happy birthaday
Happy birthaday to you
Hap hap hap hap happy birthaday
Its a hap happy birthaday to you
Happy birthday dear mama
Happy birthaday to you

Meri bahare tera milan hain
Tujhse yeh jeevan khilta chaman hain

Meri bahare tera milan hai
Tujhse yeh jeevan khilta chaman hain
Aise khilaungi sapko ke phul
Tere liye khud ko jaung ibhul

Jag sara taj dungi
Tera jeevan saj dungi
Ek rani ka paygam hain

Hap hap hap hap happy birthaday
Its a hap happy birthaday to you
Happy birthaday to you.
