

Aao manaye jashne mohabbat
Jam uthaye jam ke bad
Sham sey pehle kaun soche
Kya hona hai sham ke bad
Aao manaye

Hamari tamanna tumhe
Pyar karna hame aur karna kya
Hame aur karna kya
Mohabbat me ruswa
Huye bhi toh kya hai
Duniya sey darna hai kya
Aage koyi iljam nahi hai
Chahat ke iljam ke bad
Aao manaye jashne mohabbat
Jam uthaye jam ke bad
Aao manaye

Yeh aalam hai jaise udda ja
Raha ho tumhe leke baho me
Tumhe leke baho me
Tumhare labon sey hamare

Labo tak nahi koyi rah me
Kaise koyi abb dil ko sambhale
Itane hasi paigam ke bad
Aao manaye jashne mohabbat
Jam uthaye jam ke bad
Sham sey pehale kaun
Soche kya hona hai
Sham ke bad aao manaye.
