

Ki thi yaari

Ki thi yaari to nibha dete

Umra bhar aapko duaan dete

Aap hote agar hamare paas

Zindagani ka kuchh maza lete

Ab ye haalat hain ke mat puchho

Dil ghuzar jaaye raat mushkil hain

Ghut ta rehata hain baharo mein

Jo masiha thaa wohi kaatil hain

Aap badle hain hum nahin badle

Aap badle hain hum nahin badle

Dard badla hain gham nahi badle

Dard badla hain gham nahi badle

Aap badle hain hum nahin badle

Likhi taqdeer jab mohabbat ki

Syahi badali kalam nahi badale

Likhi taqdeer jab mohabbat ki

Syahi badali kalam nahi badale

Syahi badali kalam nahi badale

Baadshaho ne shahenshahi mein

Baadshaho ne shahenshahi mein

Husn badale haram nahi badale

Husn badale haram nahi badale

Aap badle hain hum nahin badle

Aap badle hain hum nahin badle

Dard badla hain gham nahi badle

Zakhm chahat ke noor kehate hain

Pathharo ke sanam nahi badale

Zakhm chahat ke noor kehate hain
Pathharo ke sanam nahi badale
Pathharo ke sanam nahi badale
Aap badle hain hum nahin badle
Aap badle hain hum nahin badle
Dard badla hain gham nahi badle
