

Aap ke gumsum rahne se
Har shay me udasi chhayi hai
Ye bahar aapke hotho se
Hasi mangne aayi hai

Aankh mili
Aankh mili nazre milane ke liye nazar to milao
Aankh mili nazre milane ke liye nazar to milao
Jawani mili dil ko lagane ke liye dil to lagao
Jindgani hai nam khushi ka khushiya manao
Aankh mili nazre milane ke liye nazar to milao

Taro ko pata tutenge
Phir bhi chamakte rahte hai
Phir bhi chamakte rahte hai
Phulo ko pata murjhayenge
Phir bhi wo haste rahte hai
Phir bhi wo haste rahte hai
Hoth mile hasne ko haso haso na

Hoth mile hasne ko duniya mili basne ko
Dil me kisko basao muskurao
Aankh mili nazre milane ke liye nazar to milao

Dil ki nazro se dekho
Dildar nazar aayega dildar nazar aayega
Jab band karogi palke
Har parda uth jayega har parda uth jayega
Bhed ye nazar ka hai
Bhed ye nazar ka hai parda ye dar ka hai
Dar ka parda hatao muskurao
Are aankh mili nazre milane ke liye nazar to milao
Jawani mili dil ko lagane ke liye dil to lagao
Jindgani hai nam khushi ka khushiya manao
Aankh mili nazre milane ke liye nazar to milao.
