

Aap ke pyaar mein hum savarne lage
Dekh ke aap ko hum nikhar ne lage
Is kadar aap se hum ko mohabbat huvi
Is kadar aap se hum ko mohabbat huvi
Toot ke baajuon mein bikharne lage
Aap ke pyaar mein hum savarne lage

Aap jo is tarah se tadapayenge
Aise aalam mein pagal ho jaayenge
Aap jo is tarah se tadapayenge
Aise aalam mein pagal ho jaayenge
Woh mil gaya jiski hume kab se talash thi
Bechain si in saason mein janmo ki pyaas thi
Jism se rooh mein hum utarne lage
Jism se rooh mein hum utarne lage
Is kadar aap se hum ko mohabbat huvi
Is kadar aap se hum ko mohabbat huvi

Toot ke baajuon mein bikharne lage
Aap ke pyaar mein hum savarne lage

Roop ki aanch se tan pigal jaayega
Aag lag jaayegi mann machal jaayega
Roop ki aanch se tan pigal jaayega
Aag lag jaayegi mann machal jaayega
Yeh lab zara takraye jo dilbar ke hot se
Chingariyaan udne lagi shabnam ki chot se
Hum sanam had se aage guzar ne lage
Hum sanam had se aage guzar ne lage
Is kadar aap se hum ko mohabbat huvi
Is kadar aap se hum ko mohabbat huvi
Toot ke baajuon mein bikharne lage
Aap ke pyaar mein hum savarne lage
Aap ke pyaar mein hum savarne lage.
