

Aaraanu Song Lyrics

Aaraanitharaan ithenne thiranju vannu
Ithaaraan ithaaraan urakkathe koottu vannu
Hey aararinju raavitherey aayathum
Raathri mullakal virinjathum
Njhaan arinjathilla entey ullilaay
Chitharum aayiram nilaathiri

Kaathu kaathu kaathirunno
Innolam ninneyaano
Orthu cherthu vachirunnu
Kinnakalellam niranghalaayo

Nertha koortha soojikondente
Changhinullil varachu vachu
Chernna kaalamorthirikkan
